WEEKLY RECYCLING PICK-UP COMING TO SPEEDWAY! **Every Resident, Every Tuesday beginning January 6**

SPEEDWAY, Ind. — The Town of Speedway will begin weekly recycling in 2009 as part of a contract with a new vendor—Republic Waste Services of Indiana. The contract brings a few changes with it, primarily that all residents will have recycling pick-up on the same day—**Tuesday**. The bright blue Republic recycling bins will be distributed on December 18, 19 and 30th, and the first weekly recycling pick-up will be on **Tuesday, January 6**.

“This is an opportunity to provide an improved service to Speedway residents and hopefully increase participation in the Town’s recycling program at the same time. By going to a weekly pick-up, residents can better manage their recycling and it’s better for the environment, too,” noted Speedway Town Manager Barbara Lawrence.

Below is the schedule for recycling in December and January.

Recycling Schedule for December and January

Week of December 15	Normal bi-weekly recycling pick-up
December 18 and 19	Final bi-weekly recycling pick-up for Thursday and Friday routes **Current recycling bins will be taken away with this pick-up
December 18 and 19	Republic Waste Services recycling bin distribution
December 29, 30, 31	Final bi-weekly recycling pick-up for Monday, Tuesday and Wednesday Routes **Current recycling bins will be taken away with this pick-up
December 30	Republic Waste Services recycling bin distribution
January 6	First weekly recycling pick-up by Republic Waste Services
January 13	Weekly Recycling Pick-up
January 20	Weekly Recycling Pick-up
January 27	Weekly Recycling Pick-up

The contract with Republic Waste Services was approved in November by both the Solid Waste Management Commission and the Speedway Town Council after a competitive process from four submittals.
